

Meat Chicks

Ross 308 satisfies the demands of customers who require a bird that performs consistently well.

Independent producers value the growth rate, feed efficiency and robust performance of this bird.

S44, bred to give the best possible results on free range and organic systems.

Red Naked Neck is an extremely popular hybrid of several breeds. It is a very tough bird bred to provide best-quality meat without any fat.

957 is a tough and reliable free range meat bird, and equally at home with organic farming.

Sasso

Slower growing meat bird and great free ranger.
